IPC-9008 5U

19" IPC-9008 5U -
Professional 19" server chassis

The IPC-9008 5U is a multifunctional 19" server chassis, that can be converted into a 19" rack with 5 U, when using the optional conversion kit (Art. 88887068).

An included 120mm fan, as well as additional fans, ensure clean air and thus for proper cooling behavior.

The continuous 5.25" drive bays provide space for additional hard disk frames and offer the user a variety of configuration options. A super-fast USB 3.0 connector behindt the lockable door ensures rapid data transfer to connected external devices.
